

A Treasure Trove of Wonders: The Willows School Class Art Projects

Description

"Many Me": The youngest kids in the school (DK) create unique self portraits

Once again, the students at my kids's™ school, [The Willows Community School](#), have created whimsical, dazzling class art projects that will be sold at the annual auction to raise money for the school. Using an integrated curriculum, the art projects are closely tied to subjects the kids are studying in class.

Using DIY designer toys from Munky King, DK students bridged the gap between toys and art

"Complexity From Simplicity": 5th Grade

"An Ocean of Inspiration": 2nd Grade
