Excerpt from Beyond The Brochure: A Sample Written Application

Description

In <u>Beyond The Brochure: An Insiderâ</u>€ [™]s <u>Guide To Private Elementary Schools In Los Angeles</u>, we provide copies of real written applications from kids who got into top L.A. private elementary schools. The kid in the sample application below got into 4 very competitive schools for kindergarten. If youâ€[™]re like me, it really helps to see a sample application. Thatâ€[™]s why we include 8 sample applications from families who successfully navigated the admissions process. So what are you waiting for? <u>Get your copy of the book</u> and itâ€[™]II be like having a good friend who went through the admissions process sitting next to you as you write.
