

The Hollywood Reporter Schools Issue 2017

Description

Hi Friends,

Happy August! Check out [The Hollywood Reporter's Schools Issue 2017](#). They conducted a survey to find out which schools are most popular among entertainment industry families and there's a piece on [feeder schools](#) i.e. the best route to get to the school you want for your kid. The [scoop on big money fundraising at L.A. private schools](#) is covered too. Here's the [list of religious schools](#) where Hollywood parents send their kids. And it wouldn't be Hollywood without the [paparazzi-proof private schools](#). Excited that *Beyond The Brochure* is noted as an expert resource for this issue!
