Hi Everyone! I have exciting news to announce!

My kids will be attending Viewpoint School in the Fall. After 7 years at The Willows School, both my kids are eager and very ready for a change. My husband Barry and I are also ready to move on.

Viewpoint School in Calabasas is everything we were looking for in a schoolâ€"and more. Our kids are very different, yet Viewpoint offers tremendous opportunities for each of them, from powerhouse athletics to college-prep academics set on a stunning, rustic campus. We are elated about this new phase in the kids' education and look forward to becoming part of Viewpoint's community.
