

Name That Private Elementary School Part 6 (pics and hints included)

Description

This popular, high-profile, traditional Valley school is undergoing a new building program that includes a completed Arts building and this under-construction Math and Science Building. Known for its celebrity graduates, the campus sits on a secluded 19 acres for the K-12 school.

A Preschool-6th grade Westside Jewish Day School. Known for its strong academics and a self-described Reform Congregation. The preschool is considered “fancy” by some moms but the elementary school is considered more down-to-earth.

Progressive K-6, includes world culture and the arts in its program. This school just started an edible garden. Located in the Palisades. Photo: Palisades Patch
