

"L" Is For Letters: We're Talking About Admissions Letters

Description

Letters: A Roll Of The Dice?

The **L** word.

Letters. Private school admissions letters. Perhaps a unique kind of love letter for your family. You hope.

There are basically three kinds of letters: **Awesome Letters** (Accept), **Wishy-Washy Letters** (Wait-List), **Harsh Letters** (Rejection)

L is for letters.

L also stands for a bunch of other words, depending on what your private school admissions letters say:

Love. Your kid got in? I LOVE you, admission directors!

Letdown. Wait-listed or declined admission? Total letdown. Could turn into a total meltdown. Who can blame you? This sucks.

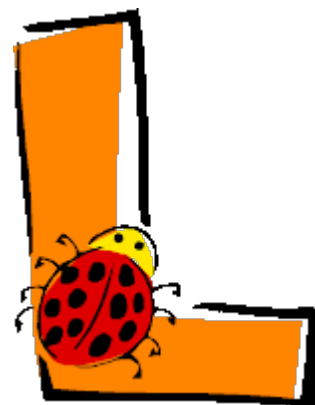

Liberty. Got in. Glad it's over. Free at last!

Lucky. Whew. Got into one school. That'll do just fine, thank you.

Lame. Got into your last-choice school. What the hell happened? Good thing we applied there. Liking it more and more each minute.

Lingering. Wait-listed everywhere you applied? Sort of wishy-washy. Do they want us or not? The process will linger. Not over yet. Keep hope alive!

Loitering. It's temping to loiter around the admissions director's office pleading with her to let your kid in. Could be misinterpreted as stalking. Never mind. Move to Plan B.

Laugh. Your kid got in. But, youâ€™ve decided to send him/her to public school. Laughing at the private schools all the way to the bank.

Liquor. Lots of it. The process was too stressful for words. Good news? Hit your favorite bar to celebrate. Bad news? drink away the shock and horror. Martini anyone? Shot(s) of Patron? Hit rock bottom? Head over to **Bristol Farms** a liquor store for the Malt Liquor. Itâ€™s cheap and made to get you stumblinâ€™ drunk.

If itâ€™s all bad news, the â€œLâ€• word could quickly morph into the â€œFâ€• word.

What do you do if your letters arrive and itâ€™s not the news you wanted, expected, hoped for prayed for? What if the best laid plans are foiled by bad luck and a trash heap of rejection letters?

What if itâ€™s the best news and the worst news youâ€™ve received all in one day? Is that even possible? Ohhhh yes.

What if your child is wait-listed? Then, itâ€™s time to get your second act together. Long sigh. The process isnâ€™t over if your child is on a wait-list at a school you like. In fact, the process will continue.

We write about all these topics extensively in [Beyond The Brochure](#).
