

Guest Blogger Jenny: Selected Writings From Other Mom Blogsâ€|She Has A Lot To Say!

Description

Jenny In Aerial Fitness Class

My friend and guest blogger *extraordinaire*, Jenny Heitz, also writes for some of our favorite mom blogs. Hereâ€™s a compilation of her recent posts you may have missed. Youâ€™ll recognize her great writing and, of course, her sense of humor. Topics range from her daughterâ€™s walks around the block to vanity over 40, divorce, hanging upside down in her aerial fitness class, and her *hilarious* opinion of mommy chat rooms. But, she does have a serious side. Read the very informative piece about scary cuts to Planned Parenthood in the *Daily News*.
