

Find a Toad: The Toad Says "Boo" to the Switch Witch

Description

This blog post by our guest blogger, Jenny, on her own blog, [Find A Toad](#), was too funny not to share. Obsessive parenting is a theme that runs through LA private schools. I know a family who left their private elementary school partly because their complaints of too much sugar in the school were ignored. Obsessed parents and private schools go together like well, like Halloween and candy!

[Find a Toad: The Toad Says "Boo" to the Switch Witch](#): "Parenting in L.A. means putting up with a lot of helicopter parents. They mean well, they really do, but their collective issues, fears and..."
