

What are “Beyond The Brochure” Bloggers Doing for July 4th?

Description

Hi Friends!

What’s not to like about 4th of July? No matter where I am, this is always my favorite holiday! It’s summer, we celebrate our Independence and I’m reminded of outdoors, sun, beach, BBQ and of course, fun drinks!

Here’s what we’re doing:

Anne Simon, *Beyond The Brochure* co-author is in Amsterdam and France for a much-deserved vacation. Doesn’t her photo below make you want to travel?

Provence, France

Porcha Dodson is having fun in Cabo for a few days.

Cabo San Lucas, Mexico

Barry and I will be having a few friends over to BBQ and swim

Taste Test!

Have a great holiday! â€”Christina
