

Happy 4th Of July!

Description

Hi Everyone!
Happy 4th of July!

Guest blogger Jenny is in Hawaii enjoying a much-deserved vacation. She'll be back later this week with her usual informative and funny posts here on Beyond The Brochure and her gift suggestions on [Find A Toad](#).

I'm hosting a BBQ for a few friends because July 4th is my favorite holiday of the year. It always promises great weather, relaxation and a nice reminder of American patriotism. Enjoy your holiday!

Here's a July 4th post I wrote in response to an open call for essays about "when you felt most American" on Open Salon, the sister site of Salon.com. This piece, called ["Black Churches, Amazing Grace And Feeling American"](#), was selected for the cover as an Editor's Pick.
