

Happy New Year! No Resolutions For This Mom!

Description

Happy New Year!

Welcome 2011!

I don't have a set resolutions when it comes to being a mom. Instead, I've got a more attainable set of very flexible "goals" or "things I'd like to do". No commitments here!

1. Get along with *every* mom at my kids school, even if it means giving them the fake smile and b.s. "How are you?" Can I really do this? Yes! Unclear.
2. After taking a year off from volunteering at the school, I'll jump back into volunteer work in the fall. I really will!
3. Try to chaperone a field trip. I get extremely car sick and bus sick, so probably not a great idea. A kid throwing up on a bus is one thing, but a mom? Maybe I'll give it a whirl. We'll see.
4. I'll suggest an extensive list of detailed changes to the Willows School's reading program. Just kidding! It's great the way it is. Besides, schools HATE when parents do this.
5. Sign up to coach one of my son's sports teams. Hmmm. Which one? None!!! It would be a disaster. I don't know anything about sports (except a bit about tennis). And, way too much testosterone on the sports fields for me.
