

## Excerpt from Beyond The Brochure: A Sample Written Application

### Description

In [Beyond The Brochure: An Insider's™ Guide To Private Elementary Schools In Los Angeles](#), we provide copies of real written applications from kids who got into top L.A. private elementary schools. The kid in the sample application below got into 4 very competitive schools for kindergarten. If you're like me, it really helps to see a sample application. That's why we include 8 sample applications from families who successfully navigated the admissions process. So what are you waiting for? [Get your copy of the book](#) and it'll be like having a good friend who went through the admissions process sitting next to you as you write.
