Iâ€™m super-excited to contribute an article about L.A. private elementary school admissions to the March 2014 issue of *L.A. Parent Magazine*.

“Compelling Schools, Competitive Admissions” in this month’s issue, is an overview piece that covers the essentials of private elementary school admissions in Los Angeles. But, even if you already have a solid grasp on admissions basics, you might want to check it out to see if there’s new information!” Christina
