One of the best things about the L.A. community of mom bloggers and social media women Iâ€™ve met since we started Beyond The Brochure in 2010, is how much they do to make our city and our world a better place. When I got an email from Laura Tremaine (Hollywood Housewife) asking for donations and help with her garage sale to benefit kids sheâ€™d just me on a trip to Haiti, of course I said yes. All 100 percent of proceeds from the garage sale go to help Haitian kids who are orphaned and have been victims of human trafficking.

Iâ€™ll be there on Saturday with my daughter to shop, socialize and support this important cause.

Meet Me There!

I promise to answer any question you have about L.A. private schoolsâ€“off the-record, of course:)

Here are a few things from my closet (and my kids too) that will be for sale at very, very low prices.
