"Getting Your Kids Into The Country's Most Competitive Kindergartensâ€ in DuJour Magazine

Description

l'm super-excited that Anne Simon, my book co-author and wonderful step-mom is quoted in DuJour Magazine's recent article, Getting Your Kids Into The Country's Most Competitive Kindergartens. Our expert colleagues here in Los Angeles, Michelle Nitka (Coping With Preschool Panic), Jamie Bakal (LA School Mates), and Devra Weltman also offer their excellent advice in the piece.
