

My Elusive Quest For Mom Friends: Are One Or Two Friends Okay? Featured Post on BlogHer!

Description

Iâ€™m so excited that a very personal post I wrote about how hard I find it to make make mom friends is a Featured Post on BlogHer Moms today. I also touch on the issue of friendship at my kidsâ€™ school (more on that in a later post).

Hereâ€™s the piece:

Lately, Iâ€™ve read several good articles and blog pieces about the difficulty of making new mom friends. I can identify with these authors because last year seemed to be my year of constant angst about friendships. Do I have enough friends? How can I make new friends? Does it really matter? That was the broken record constantly re-playing itself in my mind.
