

Style Profile: Anne Herwick, Oakwood School Mom and “Chic Mama LA”™ writer

Description

Anne Stedman Herwick

As soon as I read Anne Stedman Herwick’s fabulous blog, [Chic Mama LA](#), I knew I had to meet her! Luckily, I had the chance to meet Anne at a social media lunch I hosted recently for a group of L.A. mom bloggers and writers. Not only is she absolutely gorgeous, she’s friendly and super-stylish. On her beautifully photographed lifestyle blog, Anne keeps her readers informed about the hippest happenings around L.A., from new restaurants and bars, the best birthday party venues for kids to charitable giving organizations that makes a difference.

Anne’s “must have” looks for spring are right on trend, a bit edgy, always accompanied by a pop of color and perfect for an Oakwood School mom. Her current obsession? Anything by Isabel Marant! Thanks, Anne, for sharing the Maya Brenner state necklaces. I want one!
