Description

Garden Goddess Lauri Kranz, Edible Gardens LA (photos: Edible Gardens LA)

My friend, Lauri Kranz, founder of Edible Gardens LA, has just launched a super-cool new garden inspired line of goods. Some of you know Iâ€™m obsessed with school gardens! As Iâ€™ve [mentioned previously](#), Lauri oversees the school gardens at Westland, Willows, Walther preschool and others schools.

She also counts The LA County Museum of Art among her many high-profile clients. Now, Lauri goes beyond blossoms, bulbs and branches to partner with Jenni Kayne, Joe™s Jeans, Chef Suzanne Goin and to create a line of gardening products that combine form and function.

Here are my favorite picks from the new line:

From Edible Gardens LA: A must-have sun hat

Love this apron by Joe™s Jeans for Edible Gardens LA. Worn by Thandi Newton

A gorgeous Victoria Morris herb
