

They Want To Test My Kid?

Description

Photo: Scott Stewart Photography

Iâ€™m guest blogging this week at [Santa Monica Macaroni Kid](#), a fabulous resource for parents! The piece is about testing/visiting day, which is part of the private elementary school admissions process at many schools.

Also, hereâ€™s a piece by Laura over at Hollywood Housewife (one of my favorite blogs). She writes about the ups and downs involved in her [preschool search](#) and mentions *Beyond The Brochure!*
