The Hollywood Reporter Schools Issue 2017

## **Description**

Hi Friends,

Happy August! Check out <u>The Hollywood Reporter's Schools Issue 2017</u>. They conducted a survey to find out which schools are most popular among entertainment industry families and there's a piece on <u>feeder schools</u> i.e. the best route to get to the school you want for your kid. The <u>scoop on big money fundraising at L.A. private schools</u> is covered too. Here's the <u>list of religious schools</u> where Hollywood parents send their kids. And it wouldn't be Hollywood without the <u>paparazzi-proof private schools</u>. Excited that *Beyond The Brochure* is noted as an expert resource for this issue! â€"Christina

Keep up with all the latest L.A. private school news, events and more on Facebook!
