Join Us for our Upcoming Seminars!

Roadmap to Independent School Admission

Join a panel of Los Angeles Independent School Admissions Directors for an informational evening introducing the Los Angeles independent school experience. We'll be discussing the value of an independent school education, what the admissions process entails, and why we are committed to robust financial aid programs.

Tuesday, October 11, 2022
6:00-7:00 PM

Financial Aid Information Night

Join us to learn more about the financial aid process at independent schools. During this webinar, you'll hear about some common misconceptions, affordability at independent schools, basics about the general financial aid process, and recommendations.
